One you wait for me to arrive-(read you don't have to walk or leave the comfort of your home) or you leave the comfort of home an amble to the gate area where I will be arriving an we can walk together to my camp that is conveniently close to the freeway and the big and lil shell. Notice the phrasing is paired with suppositional prose. You decide. I am decidedly fixed on obtaining my watch an thank you for being so kind to charge it. There should be none of what you mentioned. Fuck em. I live life with honor grace and humility. I know that you get out of life what you put in. Also what goes around comes around. Also bad things do happen to good people. I believe in karma. The petty people who are giving you grief are not immune nor are they invincible. Life comes full circle. They will get theirs. Socks 6-12 crew cut. Clothing for Miss [REDACTED]. She lost everything, including her artist drawing pencils. Not to be airing her business, but she is in the line of work that [REDACTED] is and had lingerie and toys stolen as well. I'm not sure how you want me to go about getting her some things?
